

CORONA VIRUS: Possible upcoming constraints

Dear partners,

The Austrian government has tightened its measures to combat the spread of the Corona virus and we are currently in a partial lockdown. Wherever it was possible, our staff switched to working from home, customer visits were postponed or replaced by video conferences and our shift work system was reorganized in order to avoid any contact.

However, despite all hygiene and safety measures, some of our employees unfortunately already contracted Covid-19. We therefore ask you for your understanding that in the current situation, our employees' health is our top priority and constraints regarding the availability of our products can be possible in the upcoming weeks. It is currently not foreseeable to which extend these restraints will occur. However, we will keep you updated and give our best to keep them to a minimum.

For all of your questions and orders, an employee will still be at your disposal under telephone [+43 5225 65248 0](tel:+435225652480) or via our e-mail address office@austrialpin.at (from Monday – Thursday 8:00-17:00 and Friday 8:00-12:30).

Stay healthy!
