PROGRESSIVE. INNOVATIVE. BRAND NEW.

AUSTRIALPIN INNOVATIONS AT A+A

We can hardly wait, because we have a lot in store! A+A, the leading trade fair for personal protection, occupational safety and health at work, opens in Düsseldorf from October 24 to 27. The trade fair offers us the unique opportunity to present our innovations to the world. We've been working tirelessly behind the scenes, pouring our passion and expertise into creating a component that we believe will exceed your expectations.

Now we are presenting: The brand new generation, the brandnew

COBRA® NG QUICK RELEASE

Quiet, relentless and powerful, it snaps shut until you release its triple lock.

The safer, the better.

The brand-new generation made entirely of high strength polymer.

COBRA® NG QUICK RELEASE with Triple Lock for even more safety

See you at the A+A for more info ...

In the field of work safety we have also been productive. Our latest development focuses on workplace organization.

With the new **RIGGING PLATES** from AUSTRIALPIN, complex sceneries of various rope setups and anchor points can be realized. These will also be presented at the A+A in Düsseldorf.

SO RIG-IT

RIG-IT one2three 60 kN SMALL and RIG-IT three2five 60 kN MEDIUM

RIG-IT seven2eight 60 kN LARGE

Take the chance to be the first to experience both innovations live at the A+A. Arrange your personal appointment on site now.

We are looking forward to your visit!
