### **Press to open – new carabiner lock makes life easier!**

AUSTRIALPIN gave its reliable HMS RONDO carabiner a new lock which can be opened with only one flick of the wrist and locks automatically again when being released. Forget inconvenient screwing and twisting. The „Slide Autolock“ can be opened easily by just pressing the embedded brass button on the slider. If you are looking for an easy-to-use and safe carabiner, you should definitely have a closer look at the HMS RONDO Slide Autolock.

## World record chalk bag with only 13.7 grams

In summer 2018, AUSTRIALPIN launched the first chalk bags made of tear-proof special paper, the „PAPNU PERFORMANCE“. This summer, AUSTRIALPIN extends the PAPNU series by another ground-breaking model – the „PAPNU HELI.UM“. Regarding weight, the PAPNU HELI.UM breaks every record! With only 13.7 grams (without waist belt), it is the lightest chalk bag worldwide and has a lot of great features to offer: As its older siblings, the PAPNU is 100% vegan and machine washable at 40°C. Also, all resources of the chalk bag, which is hand-made in Austria, come from the EU! Available in 2 different designs.
