

News about our delivery dates and the current production situation.

---

## We are doing our best in these tough times.

Dear partners!

Due to the actions to reduce the spread of the virus Covid19 our production capacity is unfortunately now slightly limited. However, we are doing everything to keep up the production as best as possible!

We kindly ask you for your understanding that the delivery dates can not be guaranteed and that they are longer in the first place, not least because of the limitations of our suppliers. Be sure that we will get in touch about further changes and developments in this regard.

To avoid unnecessary shipments and costs, please let us know in case you have to shutdown your operation or if you can not accept the delivery of goods for other reasons.

Take care!  
The AUSTRIALPIN team
