

HAPPY HOLIDAYS!

Thank you for an amazing 2018!

Coming together is a beginning;
keeping together is progress;
working together is success.

- Henry Ford

We would like to express our sincerest appreciation for the trust you have placed in us and want to thank you for making this year a successful one. We wish you all the best for the holidays and hope to continue our success story in 2019!

Please note that our office will be closed from noon (CET) on Friday December 21, 2018 and will re-open on Wednesday January 2, 2019.

HAPPY HOLIDAYS AND A PROSPEROUS NEW YEAR!

An upcoming trade show highlight: ISPO/ALPITEC Beijing.

We are looking forward to meet you in Beijing.

Our first trade show in **2019** will be a big one: the **ISPO/ALPITEC Beijing**. It will take place from January **16 to 19** in a new venue: The China International Exhibition Center. It will be the first time for us to be an exhibitor at this show.

Our booth number **E3.AC13-4** is located in the Alpitem area.

We would love to meet you at the show. To make sure we have enough time to chat, please schedule a meeting! Just send us an email to office@austrialpin.at or give us a call under +43 5225 65248.

[You can find more information about the trade show here.](#)

Due to the short period of time in between the ISPO shows in Beijing and Munich we will not be represented at the ISPO Munich this year.

Our next trade shows in Germany will be the IWA Nuremberg starting on March 8 and the OUTDOOR by ISPO starting on June 30. Detailed information regarding these shows will be announced at a later date.

GOLD FISH autotube set

Robust, durable and very easy to handle

A second, even more robust version of the well established FISH autotube adds more to the name GOLD FISH than just its color. Just like the FISH, the newly designed GOLD FISH comes as a set: The belay device is available in eye-catching gold with the standard anodized coating. The HMS RONDO Selfie 3-way-autolock is covered with Hard Coat, a specialized anodized coating. Thanks to its double strength and higher base-hardness, this coating offers higher robustness and therefore a much longer lifetime - perfect for frequent use.

GOLD FISH autotube set
